

CURL FOR CANCER – APRIL 3, 2019

Trenton Curling Club is bringing back the “curl for cancer” fundraiser, in the same format we used in the past. Experienced and non-curlers are welcome.

Entries are limited to 24 teams. It is hoped that each player on each team will raise at least \$100 in pledges. In addition to regular 4-person teams, 5 or 6 player teams are also welcome to participate.

Pledges may be collected in person using the donation forms provided, by registering for online donations or **both**. Please bring any pledge forms and money collected on the day of the event. Cheques are to be made payable to the Canadian Cancer Society. Register to collect online donations by following the link available on the Trenton Curling Club website www.trentoncurlingclub.ca. Please do not list the online donations on the pledge sheets. Tax receipts will be issued automatically by the Canadian Cancer Society.

Teams will play 4 ends each with designated scoring. Each end will be scored according to a predetermined format. For example, every rock out of play counts, or all rocks in the 12 – foot circle count. However, no one will know which rocks will count until the end is over.

Draw times will be 9:30 am, 10:45 am, and 1:30 pm

During the noon hour break, a celebrity short end game will take place, featuring well-known locals.

If you would like to enter a team please bring or mail an entry form to the curling club, contact the curling club @ 392-5244 or send by email to - trentoncurling@hotmail.com. Team entry forms and pledge collection sheets are available at the curling club or on the Trenton Curling Club website at: www.trentoncurlingclub.ca .

IMPORTANT TO REMEMBER

Please bring clean shoes with some grip. Wear warm clothing – no feathers or glitter allowed. Help keep our ice surface clean of debris. Brooms, stabilizers, and sliders are available free of charge for use at the club. Please arrive at least 30 minutes prior to game time for registration. Registration desk open at 8:30 am
